

THE WESTIN

SAN FRANCISCO AIRPORT

SHUTTLE INFORMATION

From the airport:

Once they get their bags from Baggage Claim, they need to go back up one level to the Departures level. (if they didn't check any luggage they would remain on the same level.) Then they walk outside to the center median and look for the Hotel Courtesy Shuttle area and wait there. Our shuttle says **Westin/Aloft** on the side. If for some reason the shuttle isn't there on time, there is a courtesy phone in the waiting area that direct dials to the hotel. There are always 2 shuttles running so it's pretty much on-schedule.

From the hotel:

It comes every 20 minutes at the top of the hour between the hours of 4am and 12am (4am, 4:20am, 4:40am, etc.). If shuttle service is needed between the hours of 12am and 4am they need to call the hotel and they will send a shuttle for them.
